Throughout Time most Myths, Legends, and much of history is just gossip that has grown old gracefully.

GREETINGS FROM EMPEROR XIV MATTHEW H. BROWN

I would like to welcome everyone and thank each of you for joining San Francisco at Coronation 1987, "LEGENDS, MYTHS and MAGIC."

San Francisco, THANK YOU for letting me represent you as your Emperor — Dreams do come true!

The Imperial Family, Cabinet, Court members of Legends, Myths and Magic, and the Grand Duke and Duchess family, it could not have been possible without each individual caring and giving as you did. Thank You for your Love, Support and Respect. A special thanks to all of you who traveled with me to the coronations this year.

I also want to thank each of the individuals whom I met on my travels to other Realms, Your Friendship, Love and Hospitality — Rates a big "10."

I celebrate a new life for my friends, Arch Princess of San Francisco, Imperial Confidante to the Emperor, Lady Gene Forrest; Imperial Minister of Foreign Affairs and Docket, Karl Stewart and Miss Gay San Francisco, Parkay, Don Lempke. The Pegasus flies with you on your heavenly journey. I miss you very much and will live with your spirit of love.

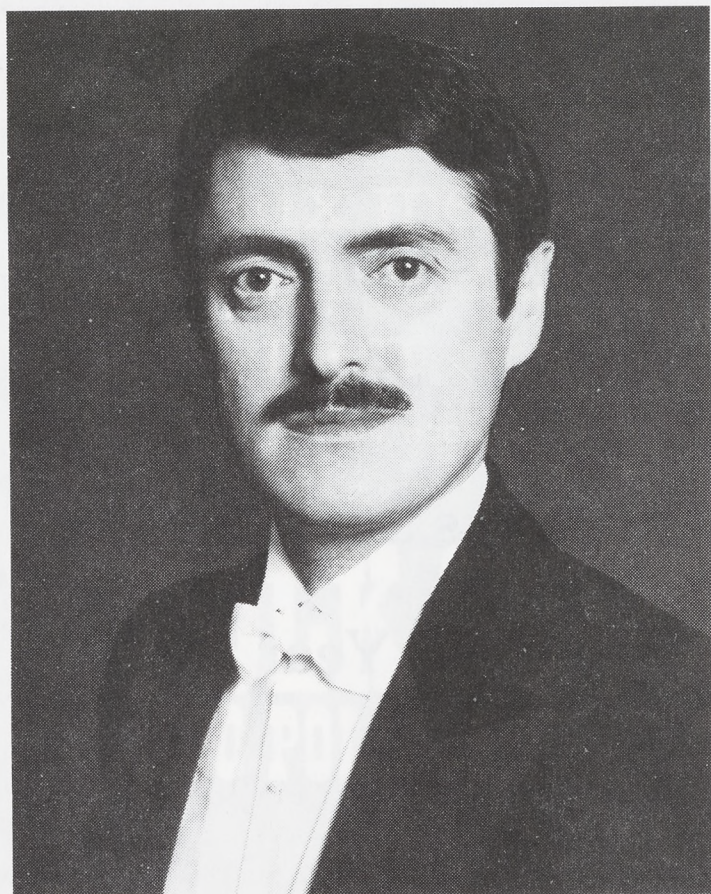

To Empress Ginger, Emperor Ken Wright and Empress Sissy Spaceout — The Spice is the best — The Monarch Butterflies are beautiful and The Galactica flies with love.

To My Empress Sable Clown, our Legends, Myths and Magic is a beautiful LOVE. May we always walk together as our life continues on after tonight. The Pegasus will always carry the Clown. Thank you for your love, my White Pearl.

To my friend and lover, Gene Dennis, you have always loved and supported me. You and I have shared nine years together and we will have many more. You make my life complete and I love you. My love grows stronger each day for you as you have always been the wind beneath my Pegasus' wings.
